

WSS ORDER ENTRY PORTAL

Order entry using "FAVORITE LIST"

Order can be entered by selecting

1. Normal list
2. Favorite list

By default the radio button Favorite list is selected.

In this favorite list all the items which are ordered in last 12 months will appear. Items appear in the descending order; means item ordered most no. of times in last 12 months will appear at the top & least no. of times at the bottom. This favorite list is created by the system & is dynamic. System will keep on adding items to this list based on the orders placed. Favorite list cannot be manually edited. These items appear in the grid. To place orders in Favorite list, enter quantity & select UOM (Case or Pieces) against item to be ordered. Once order is completed, select "Save to List". The ordered item will be displayed in the box below (Order Summary).

Any item which is not there in the favorite list can be selected from the Normal list as being currently done.
